

POTOMAC FLOOR MIRROR CABINET WITH STORAGE

40"W X 5 1/2"D X 85"H

The Potomac Floor Mirror Cabinet is made of hardwood solids and cherry veneers that are richly carved and then handpainted with black rub-through and gold accents. It features a breakfront base and a door that opens for hidden storage with two shelves, necklace hooks, ring storage and pouches for more storage. This mirror specifically coordinates with the Jefferson Vanity but can be paired with many other items in the collection. It can attach to the wall for stability. Please reference the Masterpiece Cabinet Floor Mirror for interior view.
