## BIO BIDET® ELITE 3

Tighten nuts while checking for leaks.  
Do Not over tight.

## Installation Instructions

### 1. CAUTION

Do Not over tight any connections. Over tightening connections and adaptor can cause damage to the parts.

### 2. PROCEDURES OF ASSEMBLY

1

Shut water supply by turning it to the right and disassemble the water hose.  
Flush toilet to drain water inside of toilet water tank before disassembling the water hose.

## BIO BIDET® ELITE 3

2

Remove existing seat and lid.  
Release the bolts on both side of  
the existing toilet seat.

3

Connect supplied T valve to the  
toilet fill valve. Note T valve will  
be connected directly to toilet fill  
valve, not the shut off valve. Then  
connect rest of water lines to  
connected T valve.

4

Mount bidet and toilet seat/lid  
over toilet mounting holes.  
Supplied rubber O-rings should be  
placed under the bidet mounting  
bracket to protect and secure  
bidet on the toilet.

5

Open shut off valve and  
check for any leaks.

---

### Maintenance

To clean the nozzle, gently pull down on the head of the nozzle, and use a toothbrush or soft cloth and mild detergent to clean the nozzle. You may also remove entire nozzle assembly and soak it in mild detergent.

Do not use any harsh, abrasive products to clean Elite 3, which may damage surface of the product.

## Warranty

Your Bio-Bidet,

Is warranted against defects in materials or workmanship for one (1) year from the Date of original purchase .Defective parts or a defective product returned to Bio Bidet will be repaired with new or comparable rebuilt parts or exchanged for a Refurbished Bio-Bidet as determined by Bio Bidet in their sole discretion
