Cabinet features multi-colored finish effects and legs are removable for wall mount applications

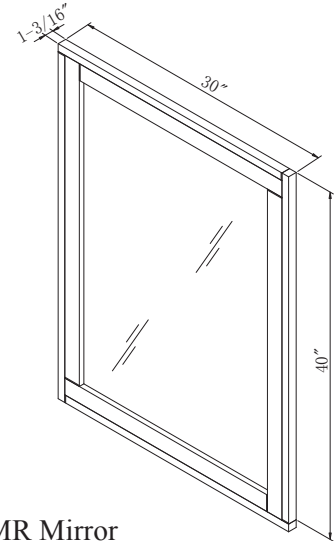

The Verticali Bath Collection from Sagehill Designs features clean lines and a casual attitude that complements today's casual bath interiors.

The cabinet doors have multi-colored vertical panels that make an unique design statement. The interior of the cabinet is large and features ample interior storage. The doors also feature soft-close hinges. The triangular metal legs can be removed and allows the vanity to be wall mounted for added flexibility.
