WARNING: This product can expose you to chemicals, including lead which is known to the State of California to cause cancer or birth defects or other reproductive harm, for more information, go to www.p65warnings.ca.gov

Care and Maintenance:

Teak is naturally resistant to water making it useful both indoors and out. The finish can be left natural to weather or sealed to preserve the original finish. The light texture of teak wood helps to prevent slipping. We recommend Teak Guard Super Cleaner to maintain and protect your teak products.

Dimensions of fixture are nominal and may vary. Dimensions and specifications subject to change without notice.
