279P06CM ICONIC

SELLING POINTS : Hand-forged recycled steel. Hand-painted low-VOC finish. Hexagonal canopy. Handmade custom chain.

CLASSIFICATION : If Mid-Century Modern had a love child with Mid-Century Modern (follow us here), Iconic would be that child. Much more than a mere suggestion of MCM, Iconic goes all out. It's hand-forged from heavy gauge recycled steel and hand painted in a metallic finish that hints at the warmth of wood. Some cutouts are left flat and some peek outwards, a subtle approach to gain visual texture and create sweet shadows. Iconic is just the right amount of too much.
