# Built-in Electric Fireplaces AVAILABLE NOW!!

Transform your living space with Continental's new 27" or 29" Built-in Electric Fireplaces. The glow of the realistic logs and ember bed gives the ambiance of a real burning fire that fades when the unit is turned off. Instantly set the mood of any room with complete control over flame, heat intensity and even NIGHT LIGHT™ colors. This electric fireplace is perfect for any room in a house, condo, apartment or office. No venting or chimneys are needed to fill your space with warmth and radiance.

CEFB27H-3A shown with three-piece trim kit and NIGHT LIGHT™ setting on white
