THE **Rubinet** FAUCET COMPANY

ASSEMBLY INSTRUCTION

4F021

8" SHOWER HEAD WITH 12" SHOWER ARM & FLANGE

4F021

REMOVAL OF FAUCET:

Always turn the water supply off before removing the existing faucet or disassembling a valve. Open both faucet handles to relieve water pressure and to ensure that the water has been successfully turned off.

CARE OF FAUCET:

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.
