 Heat sink and thermal protection

KEY FEATURES

Warm white light  
 Excellent color rendering  
 Superior LED performance and lifespan  
 Smooth 360° wide spread  
 Minimal heat emission  
 Extra low profile  
 Very discreet light source  
 Brighter than most 25W halogen equivalent pucks  
 Aluminum construction  
 Frosted glass lens

INSTALLATION TIPS

4001 is for recessed installation only, in any direction  
 4002 is for surface mounting only in any direction  
 Ideal for accent lighting inside or under any cabinet, shelf or display  
 Its very low profile makes it very easy to hide even in shallow structures  
 For power supplies and installation accessories, see p. 14

Order No K4001 or K4002
