

CAUTION:
MODEL PLUMBING CODES REQUIRE HOT WATER
NOT TO EXCEED 120°F.

INSTALLATION INFORMATION

Model number G-1060 is a In-Line Pressure Balancing Valve and has a piston-actuated valve built inside it. It is necessary to flush all supply lines leading to the valve prior to installation.

Only use Teflon[®] tape when connecting this valve to the water system. The use of pipe dope or liquid thread sealant will affect the proper operation of this valve and will void the warranty.

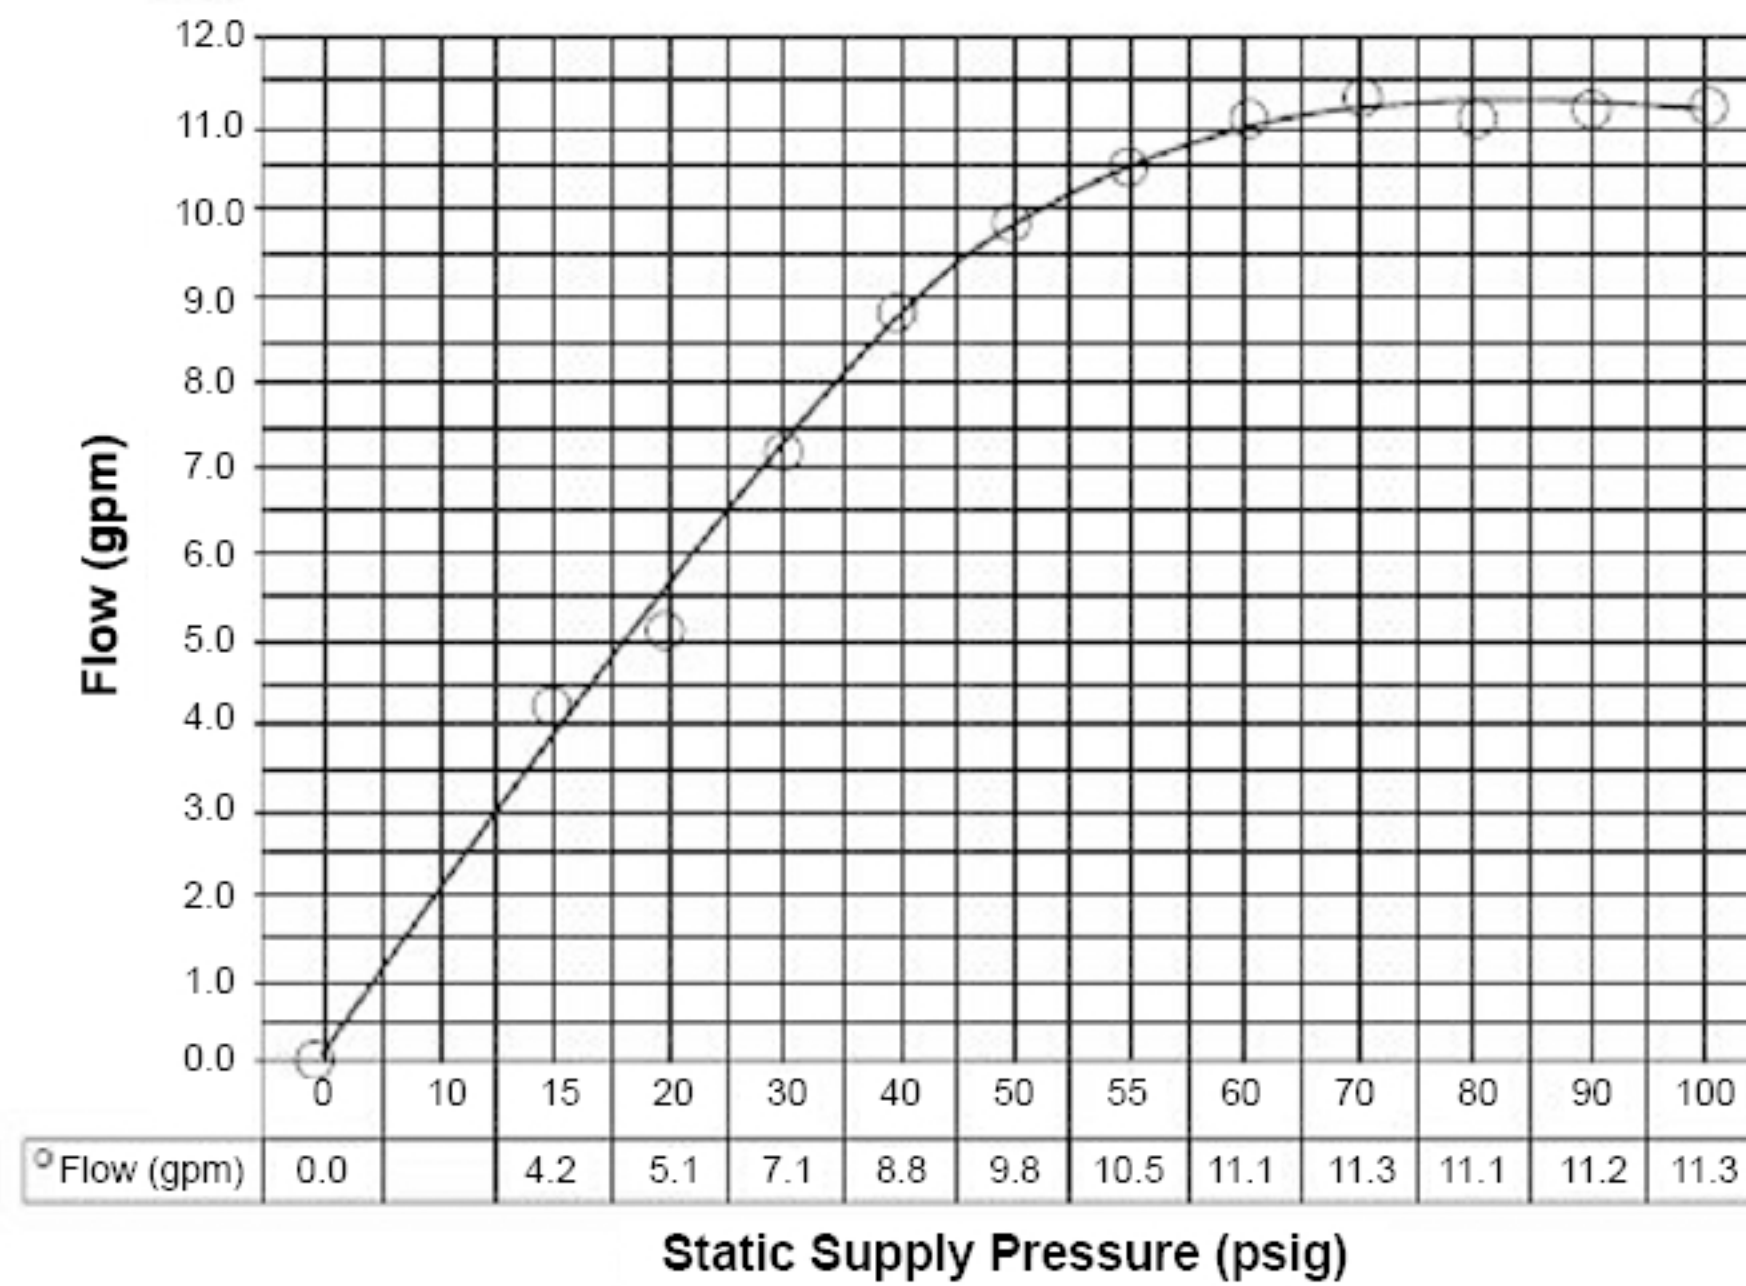

Install the In-Line PBV before the shower valve or roman tub valves. It is not necessary to install the In-Line PBV near the valve(s), this can be installed remotely as long as supply lines are dedicated to the valve(s). Install the In-Line PBV with the arrows facing the direction of water flow. The In-Line PBV can be installed in any direction.

Check valves, not provided, are required before the In-Line PBV for back flow prevention. The In-Line PBV is a mechanical device and requires regular maintenance by a qualified licensed plumber.

Remember to install the In-Line PBV in a accessible location. Failure to follow install instructions will void the manufacture warranty.

WARRANTY ● GARANTÍA

ENGLISH

Graff products, Graff 3701 W. Burnham Street, Unit B Milwaukee, WI 53215 warrants to the purchaser that the materials and workmanship of the product will be free from defects for the term of ownership for the original purchaser.

The Graff ceramic cartridge, is warranted for the lifetime of the product. If at any time a valve mechanism should fail, Graff will provide a replacement part free of charge.

A limited lifetime warranty for the finish is provided to the original purchaser of the Graff unit.

This warranty does not apply to product that has been subject to abrasives, chemicals, scratches, dents, accidents, misuse, improper installation, alteration, or that has not received reasonable care. Purchaser should return any defective or non-conforming product to the factory, freight prepaid, at the above address.

This warranty is limited to replacement parts only and does not include or cover labor charges or damage incurred in installation, replacement or repair or any consequential or incidental damages whatsoever, nor does it cover or include damages for property, personal injury or economic loss.

Any damage to this Graff faucet as a result of improper installation, neglect, accident, misuse or any use that violates the original instructions provided by us, WILL VOID THE WARRANTY. This warranty is valid to the original consumer purchaser and excludes commercial, industrial or business use of this Graff faucet.

ESPAÑOL

Los productos de la Graff, Graff 3701 W. Burnham Street, Unit B Milwaukee, WI 53215, garantizan al comprador que los materiales y la ejecución de los productos están libres de defectos durante el periodo en que estén en posesión del comprador original.

El cartucho cerámico de la Graff tiene una garantía vitalicia. Si en cualquier momento el mecanismo de la válvula resulte defectuoso, la Graff suministrará gratuitamente la pieza de recambio adecuada.

El comprador original obtiene una garantía vitalicia para el acabado de los productos de la Graff.

La presente garantía no será aplicada a los productos que hayan sido sometidos a la acción de productos abrasivos o químicos, los arañados, abollados, dañados en efecto de accidentes, explotación abusiva, instalación incorrecta, cambios o falta de conservación adecuada. El comprador deberá devolver todos los productos defectuosos o disconformes a la dirección de la fábrica antes indicada, enviándolos por correo pagado por adelantado.

La presente garantía está limitada únicamente a las piezas de recambio y no comprende ni cubre los gastos de mano de obra o daños surgidos durante la instalación, recambio o reparación, ni cualesquiera daños indirectos o incidentales; tampoco cubre las pérdidas en propiedad, daños personales o pérdidas económicas.

Cualquier daño al mezclador de la Graff que resulte de su instalación inadecuada, negligencia, accidente, explotación abusiva o todo uso disconforme a las instrucciones suministradas por nosotros, INVALIDAN LA GARANTIA. La presente garantía será válida para el comprador/consumidor original y excluye el uso comercial, industrial o de negocios de los mezcladores de la Graff.
