

ASSEMBLY INSTRUCTION**2FHXL or C****FLOOR MOUNT TUB & SHOWER WITH HAND HELD SHOWER****2FHXL****2FHXC****REMOVAL OF FIXTURE:**

Always turn the water supply off before removing the existing fixture or disassembling a valve. Open both fixture handles to relieve water pressure and to ensure that the water has been successfully turned off.

CARE OF FIXTURE:

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.
