THE **Rubinet** FAUCET COMPANY

ASSEMBLY INSTRUCTION

9TWN4

VERTICAL WALL NICHE WITH TWO ADJUSTABLE SHELVES

9TWN4
(12" x 24")

REMOVAL OF FAUCET:

Always turn the water supply off before removing the existing faucet or disassembling a valve. Open both faucet handles to relieve water pressure and to ensure that the water has been successfully turned off.

CARE OF FAUCET:

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.

4

1

* Boxing the hole with stud recommended for maximum support as shown

* MUST refer to the specification when cutting the hole.

2

* Peel off the double side tape before mounting the Wall Niche

Rest the bottom first then push it in.

3

Apply silicone caulking all around the edge
