^{*} Please specify the finish when ordering the part.

INSTALLATION INSTRUCTIONS

1. Place the trim parts against the assigned wall location. Make sure the bar is leveled and the bar post positions are correct. Mark with pencil the bar post flange positions and remove the trims.

2. Using the Allen key provided, remove the mounting posts from the bar posts. Press the mounting posts against bar post flange position on the wall and mark the screw hole positions.

INSTALLING ON WOODEN SURFACE

For wooden surface, the mounting posts can be secured by screwing the screws directly into the wall.

INSTALLING ONTO DRYWALL SURFACE

Using a drill, pre-drill holes for the anchors. Insert the anchors into the wall. The mounting posts can be secured by screwing the screws into the anchors.

INSTALLING ONTO A SOLID SURFACE

Measure the dimensions carefully. Using a drill, pre-drill the holes. Secure the mounting posts by screwing the screws into the wall.

INSTALLATION INSTRUCTIONS

- 3. Press the left bar post against the mounting post. Align the bar post and secure it by tightening the set screw.
- 4. Insert the towel bar into the secured bar post. Press the right bar post onto the right mounting post. Insert the right side of the towel bar into the right bar post. Align the right bar post and tighten the set screw firmly.
- 5. Check both bar posts to make sure they are firmly secured. If not, tighten the set screws with the Allen key.

SANTEC LIFETIME LIMITED WARRANTY

- 1. Finishes: Santec Polished Chrome, Polished Nickel and Satin Nickel finishes carry a Lifetime Limited warranty against manufacturing defects and tarnish to the original purchaser with the exclusion of kitchen drain assemblies which, due to the nature of their use, are not warranted. Santec recommended custom finishes carry a ten (10) years limited warranty against manufacturing defects and tarnish to the original purchaser with the exclusion of kitchen and pop-up drain assemblies which, due to the nature of their use, are not warranted. Kitchen products carry a three (3) year limited warranty.
- 2. Cartridges: Santec Cartridges carry a lifetime limited warranty against manufacturing defects for the life of the product to the original purchaser.
- 3. Parts: Santec parts carry a ten (10) year limited warranty against manufacturing defects, to the original purchaser. Kitchen products carry a five (5) year limited warranty.
- 4. Warranty exclusions and limitations: This warranty does not cover: damage due to negligence, accident, abuse, improper installation, or improper maintenance such as, but not limited to: heat from soldering during installation, the use of plumbers putty, damage from tools used during installation, the use or exposure to chemicals or cleaning products either abrasive or non abrasive or the use of any cleaning tool or product other than a soft, clean cloth. Pop-up assemblies are not covered under warranty. This warranty does not cover: changes in the finish or in the product due to normal wear or aging and does not cover any products or parts which have been altered or used in a manner not typical for the product. This warranty does not cover and Santec will not be held liable for damage to products caused by the freight carrier and a claim should be made immediately to the freight carrier should this occur. This warranty does not cover any cost involved in the installation, repair, or replacement of any Santec product or part. This warranty does not cover and Santec will not be held liable for any loss, damages, or expenses, incidental or consequential whatsoever, originating from the purchase, installation, use, repair, failure, or replacement of any Santec product or part, as allowed by law. The product or components of the covered product will either be repaired, refinished or replaced, at the sole discretion of Santec. Santec reserves the right to examine any product claimed defective prior to any warranty claim being accepted or processed, at its sole discretion. This warranty gives you specific legal rights and you may have other rights which may vary from state to state.

Effective 01/01/09 - Replaces and supersedes any previously issued warranty

FINISH CARE INFORMATION

For clear coated or enamel color finishes:

For non-clear coated and specialty finishes:

We recommend that all faucets, drains, etc be gently wiped dry with a soft cloth after use to avoid water spotting and water deposit buildup. A mild liquid hand soap, such as Ivory may be used occasionally if desired. Use of non-abrasive carnauba wax will add protection to the finish and should be used if the faucets will not be dried after use.

We recommend that all faucets, drains, etc be gently wiped dry with a soft cloth after use to avoid water spotting and water deposit buildup. Use of a non-abrasive carnauba wax is required occasionally.
