The Traditional Bathroom Collection Installation & User Guide

Congratulations on the purchase of your Perrin & Rowe Bathroom Product. Correctly installed and with sensible care, this product will give you many years of trouble free service.

IMPORTANT INFORMATION

Before you proceed... We recommend you engage the services of a registered plumber to install this product.

In addition to the guide below it is essential that the written information overleaf is carefully read and understood.

Preparation for Installer

Flush the plumbing system before installing the bathroom product.

Once unpacked remove Trim Kit ready for installation.

Installation Instructions

Special Note for Installing a 'Pair' of Lever 3/4" Wall Valves

INSTALLATION OF TRIM KIT

U.3233 5/8" Extension.

U.3243 1 1/4" Extension.

Required if Rough Kit is outside the above Min - Max figure.

If required screw Extension over Rough Kit before carrying out Trim Kit Installation.

Concealed Wall Valve

Ensure the handle is vertical when the valve is in the 'off' position.

If required the Vernier Insert can be removed and turned a few splines until correct alignment is achieved.

Three & Four Way Diverter

For ideal operation, place the handle vertically when the diverter is fully open on one port.

If required the Vernier Insert can be removed and turned a few splines until correct alignment is achieved.

OPERATION

Ceramic disc valves are fitted as standard to the Wall Valves. Flow from FULLY OFF to FULLY ON is achieved by rotating the handles a quarter turn.

BEFORE USE

- Carefully check the installation for leaks.
- If further building work is to be carried out in the vicinity, cover the fitting to avoid damaging the finish.
- Please ensure that the installation complies with the local plumbing codes.

CARE & MAINTENANCE

Occasional cleaning with warm soapy water, followed by a polish with a soft cloth is all that is required to keep the plated finish in good condition.

Do not use proprietary abrasive liquids, powders, or pads to clean the product. You will damage the plated finish and void your guarantee.
