

## GENERAL DESCRIPTION

The complete Aloha Shower System replaces your existing showerhead in minutes! Enjoy the pulsating body jets, soothing 8" rain showerhead, or convenient hand shower. Simply choose the function you desire via the conveniently located brass diverter. Each function operates independently or in tandem. This retro-style unit is available with a brushed stainless or white tempered glass panel with chrome fixtures. Specifically designed to make installation and usage a breeze, the Aloha is a welcome addition to your daily routine.

Typical install is less than 1 hour—even for the do it yourselfer. It simply connects to the water supply at your existing shower arm location and uses your existing hot/cold shower valve.

DOES NOT INCLUDE A MIXING VALVE. PLEASE REFER TO THE TRU-TEMP VALVE, MODEL #3001-RIV-PB.
